TOUCH ALL THE BASES

by Hal E. Roach

HE had promised SHE to take SHE to the ball-game, but when they reached the ball grounds his rival in line ahead of him seizes the opportunity to take HIS girl into the grounds because HE had forgotten his money. Every effort was made by HIM then to reach the interior and by an ingenious ruse he finally enters through the players' gate and is mistaken for a recruit pitcher from out of town. He is hustled into a uniform and goes on the team and his knowledge of base-ball is such that even the most amateurish kid could teach him lessons. But we must give him credit for perseverance and when he hits one over the fence for a HOMER and slides half way from first to second and then beats it on the loop for home, sweetheart jumps from the stand and runs to the field, and embraces him. His efforts then were not at all in vain.
